Sub: Approval of PVC Wires in C&R Panel

Dear Sir,

This has reference to your letter no. Sbee/2233/04-05 dated 08/01/2005 enclosing therewith POWERGRID letter no. C/QA&I/ABB/CT-CVT dated 22/11/2004 to ABB Ltd , Banglore vide which we have communicated approval of PVC Wires of your make in C&R Panels for POWERGRID projects.

In this regard, it is clarified that though approval letter was issued to ABB (as they had requested us for your approval) , but PVC wires of your make is considered approved for supply of C&R Panels in all ongoing and future projects of POWERGRID . Hence , any other C&R Panel supplier may also use PVC wires of your make for POWERGRID projects.

Hope the above clarifies your query .

Thanking you,

Yours truly,

(D. Chakraborty)
Dy General Manager (QA&I)
